

B&O Bicycle Tour Team Entry 2017

Enjoy entry fee discounts and bring more visibility to your organization while helping raise money for the B&O Trail. Here's how it will work.

1. Seven or more people can register as a team at a discounted fee per person (\$20). Team members must be affiliated with the same organization, such as a business, school, church, or service club. Teams will be recognized at the event. We will take a picture of all teams and display the winning teams in our publicity materials.
2. To register, fill out the form below for all team members and have them sign the waiver. (See note about online team registration) A team captain should collect fees from each team member and send one check to (checks payable to HCTDA):

HCTDA c/o Linda Watson Stansbury
5717 Springhollow Ct.
Avon, IN 46123.

3. Collect Donations. Give each team member a form and ask them to collect donations from friends and family for the B&O Trail project. Record the donor's name, address, and amount. We will send a thank-you note to each donor, which will serve as a tax receipt. Bring all the money collected and the donation forms to the bike ride.
4. The winner will be the team that collects the most money (entry fees and donations combined). This team will receive a plaque to hang on their organization's "brag wall".
5. To enhance team spirit and make the organization more visible, team members are encouraged to wear some kind of "costume" such as matching clothing or accessories.
6. Captains of teams with 7 or more riders will receive an event t-shirt.
7. **As an additional incentive, any team that raises an average of \$50 per person will have its entry fee refunded!**

Teams must be pre-registered by May 25, 2017. No same day registration for teams. As a price incentive, the fee is \$20 per person compared to the regular individual fee of \$25.

Online Team Registration

Team captains may find it easier to register their teams online at Active.com. There are 2 options. The team captain may enter all the names and pay the entire fee, or the captain may set up a team and let the individual team members enter themselves. Using the latter method, team members can be added at any time up to the May 25th deadline.
